## COCKTAILS

As a limited bar, we maintain the island feel by creating handcrafted cocktails using quality liquor infused with fresh fruits, pulps, herbs, and juices to create a deliciously flavored tropical creation that will catapult you to The Caribbean. Here are some of the favorites that top our list:

**Jalapeno Strawberry Daiquiri**

**Mango Mojito**

**Tamarindo Margarita**

**Topical Storm**

**Watermelon Pina Colada**

## WINES & CIDERS

We feature several of Michigan's finest St. Julian's wines and ciders that pair very nicely with our menu.

Escape and enjoy a drink in paradise!
